

RESIDENT DIRECTOR TVMDL CANYON LABORATORY

The Texas A&M Veterinary Medical Diagnostic Laboratory (TVMDL), a global leader in providing innovative and state of the art veterinary diagnostic services, invites nominations and applications for an experienced veterinary professional to serve as the resident director for the agency's beautiful full-service laboratory in Canyon, Texas.

The Canyon resident director reports to TVMDL agency headquarters in College Station, Texas, and works cooperatively with other agency leadership, ensuring the four TVMDL laboratory locations function as one unit by promoting good communication and interrelationships.

The successful candidate will have a Doctor of Veterinary Medicine (DVM) degree, hold a veterinarian license in Texas or eligible for a veterinarian special license, knowledge of word processing, spreadsheet, and database applications, knowledge of standard laboratory safety procedures, strong verbal and written communication skills, ability to communicate clearly and effectively to ensure understanding, and the ability to multitask and work cooperatively with others.

How to apply

Greenwood Asher & Associates is assisting Texas A&M Veterinary Medical Diagnostic Laboratory in this search. Applications and nominations are now being accepted. Confidential inquiries, nominations, and application materials—cover letter, CV, and list of five references—should be

directed to Greenwood Asher and Associates. Submission of application materials as PDF attachments is strongly encouraged. The search will be conducted with a confidentiality commitment for candidates until finalists are selected. Initial screening of applications will begin immediately and continue until an appointment is made.
